

## Suggested Donation Items

Thank you for your support of Shriners Children's Twin Cities! With your donation of these items, you give kids the opportunity to have fun and play during their visit to the clinic.

**Due to safety, allergy and immunity concerns for our patients, we are only able to accept donations of new, latex-free items. We cannot accept toys or items that have been previously played with or private collections that have been stored away.**

Please complete our In-Kind Donation form and bring it along when delivering your donation.
