

CONCERNS, COMPLIMENTS AND SUGGESTIONS

Do you have feedback about your care or your safety while at Shriners Hospitals for Children?

Please talk with us about your concerns, pass along compliments and suggest ways we can improve. If you are concerned or upset about your visit, we would like you to talk with the manager of the department/service/unit before you leave. He or she often can solve the problem or clear up a misunderstanding. If you still have a concern after talking with the manager, please contact Shriners Hospitals for Children Northern California by phone, mail, fax or e-mail as listed below:
